Re: *In re Residential Capital, LLC, et al.* Chapter 11 Case No. 12-12-2- (MG)
Request to Terminate Bankruptcy Stay in order to Clear Title to Property located at
180 Ivey Lake Parkway, Temple, Georgia 30179 (the "Property")

Dear Mr. Newton:

Enclosed, please find a completed Senior Lien Relief Questionnaire. I have attempted to complete the questionnaire as fully as possible, but due to the unique nature of my client's situation, I have enclosed this letter in order to provide a more complete overview of the issues surrounding this matter.

My client, Associated Partners, LLC, purchased certain real property located at 180 Ivey Lake Parkway, Temple, Georgia 30179 (the "Property"), for Thirty-One Thousand and No/100 Dollars (\$31,000.00) at a judicial tax foreclosure sale conducted on June 7, 2011, in Carroll County, Georgia. The prior ownership history of the Property is as follows: Patrice Thomas originally owned the Property. She then granted a security deed to Sebring Capital Partners, LP, that was ultimately assigned to Residential Funding Company, LLC. Residential Funding Company then transferred the security deed to LNV Corporation. However, the property records indicate that Residential Funding Company foreclosed on the Property and assumed ownership (even though it appears from the records as if the security deed was still held by LNV Corporation). Residential Funding Company then failed to pay taxes on the Property and it was purchased by Associated Partners at the judicial tax foreclosure sale held on June 7, 2011.

Georgia law provides that the record owner at the time of the tax sale is entitled to any excess funds generated by the sale after the taxes, fees, and expenses are paid. O.C.G.A. § 48-4-5. Georgia law further provides that after a tax sale, any party with an interest in the property may redeem the property within twelve (12) months of the sale or any time prior to the foreclosure of the right of redemption by the tax sale purchaser. The redemption amount owed is "the amount paid for the property at the tax sale, as shown by the recitals in the tax deed, plus any taxes paid on the property by the purchaser after the sale for taxes, plus any special assessments on the property, plus a premium of 20 percent of the amount for the first year or fraction of a year which has elapsed between the date of the sale and the date on which the redemption payment is made and 10 percent for each year or fraction of a year thereafter." O.C.G.A. § 48-4-42. After twelve (12) months, the tax sale purchaser may bar the right of redemption by foreclosing the right of redemption pursuant to O.C.G.A. § 48-4-40.

Over twelve (12) months after the June 2011 foreclosure sale, Associated Partners, acting on its own behalf, sent all the appropriate Notices of Foreclosure of the Right to Redeem to the interested parties. However, Residential Funding Company, LLC, declared bankruptcy in May of 2012—a date within 12 months of the Property's purchase in June 2011 and prior to the foreclosure of the right to redeem. The bankruptcy declaration tolled the redemption period, or stayed the foreclosure of the right to redeem, thereby preventing Associated Partners from properly barring the right of redemption against Residential Funding Company, LLC. In turn, this has prevented Associated Partners from obtaining insurable title to the Property.

Accordingly, we are respectfully requesting a stipulation terminating the automatic bankruptcy stay in order to allow Associated Partners to take the necessary legal steps to clear title to the Property. Thank you for your consideration, and please do not hesitate to contact me if you have any questions or concerns regarding this matter.

Very truly yours,

TISINGER VANCE, P.C.
